

DE-ICING CHEMICALS			
Product	Certification	Product description	Packaging
TKS de-icing fluid	AL-5 DTD406B Nato code: S-745	<ul style="list-style-type: none"> To be used in TKS 'weeping wings' deicing systems to fight and prevent in-flight icing Commonly used for ground deicing of aircrafts 	Available in: <ul style="list-style-type: none"> 5 liter can 10 liter can 20 liter can 200 liter barrel
TKS de-icing fluid alcohol free	-	<ul style="list-style-type: none"> To be used in TKS 'weeping wings' deicing systems to fight and prevent in-flight icing Commonly used for ground deicing of aircrafts 	Available in: <ul style="list-style-type: none"> 5 liter can 20 liter can
ICE-5 fuel anti-icing additive	Complies with ASTM-D4171-03, chemical properties according to MIL-DTL-85470 (replacing MIL-DTL-27686), DEF STAN 68-252, AL-41. NATO Code number S-1745.	<ul style="list-style-type: none"> Fuel system icing inhibitor (FSII) Prevents icing of the water in the fuel system 	Available in: <ul style="list-style-type: none"> 500ml aerosol (including tube and clip) 1 liter bottle 200 liter barrel
Frostman general de-icing fluid	-	<ul style="list-style-type: none"> Quick-acting, liquid deicer for general purposes Applications: railroads, trucks, cars, loading docks, car park, etc. 	Available in: <ul style="list-style-type: none"> 5 liter can
GRANDI-U5 Granular runway de-icer	AMS 1431B	<ul style="list-style-type: none"> Solid granular runway and apron de-icer For preventive and curative de-icing 	Available in: <ul style="list-style-type: none"> 25kg bag 1 pallet (40 x 25kg)
Runway de-icer Cryotech NAAC	AMS 1431	Solid runway and apron de-icer	Available in: <ul style="list-style-type: none"> 25kg bag 1 pallet (upon request)
Type 1 aircraft de-icing fluid	AMS 1424	Aircraft ground de/anti-icing	Available in: <ul style="list-style-type: none"> 20 liter can 200 liter barrel 1000 liter multibox

SNOW AND ICE REMOVAL EQUIPMENT

Product	Product description	Packaging
MHDU1000 Aircraft de-icing unit	<ul style="list-style-type: none"> De-icing unit for aircrafts with MTOW up to 20.000 lb Can be used with Type I, Type II or TKS deicing fluids 1000 liter capacity Heats fluids up to 70°C 	1 piece
MHDU10 Mobile Heated Aircraft de-icing unit	<ul style="list-style-type: none"> Mobile de-icing unit for aircrafts and helicopters – easy to transport Can be used with Type I, Type II or TKS deicing fluids 10 liter capacity Heats fluids up to 50°C 	1 piece
Container for granular de-icing product	Frost-resistant, solid container to store granular de-icing products	210 liter capacity 400 liter capacity

INTERIOR CLEANING CHEMICALS

Product	Certification	Product description	Packaging
Wet & Dry Wipes for aerospace instruments and displays	AMS 1534B AMS 1535C Boeing D6-17487 (Rev P.)	Safe cleaning of: <ul style="list-style-type: none"> ☞ Aerospace instruments and displays ☞ In-flight entertainment systems ☞ Other applications: flight simulator screens, electronic flight bag, etc. 	Available in boxes containing 400 two-part sachets
GMP screen cleaner	Compliant to the cleaning product specifications for MFD, PFD, GPS, FMS and radar screens	Used to clean visual display units : MFD, PFD, GPS, FMS and radar screens	Available in: <ul style="list-style-type: none"> ☞ 250ml spray bottle ☞ 1 box (18 x 250ml spray bottle)
Carpet Cleaner	AMS 1630C	<ul style="list-style-type: none"> ☞ For the general maintenance of carpets and rugs ☞ For the cleaning of dirt and stains ☞ Can be applied with hot water extraction carpet cleaning equipment or manually 	Available in: <ul style="list-style-type: none"> ☞ 5 liter can ☞ 20 liter can ☞ 200 liter barrel ☞ 1000 liter multibox
Liquid toilet additive Flushman 310	AMS 1476B	<ul style="list-style-type: none"> ☞ For aircraft lavatory use ☞ Detergent, disinfectant and bactericide/germicide agent ☞ Pleasantly perfumed 	Available in 20 liter can
Granular toilet additive Flushman 310	Airbus CML – SMI AMS1476 - Bacterial standards : conform to the AFNOR standards # NFT-72301	<ul style="list-style-type: none"> ☞ Water-dissolvable sachet ☞ Germicide agent ☞ Used directly into the closet, retention tank, or toilet waste vehicles 	Available in boxes containing 500 packets of 20g
Hard Surface Interior Cleaner	AMS 1550B Holder of the European Ecolabel	<ul style="list-style-type: none"> ☞ Multipurpose cleaner (trays, drop-down tables, etc.) ☞ Compatible with Hard Surface Disinfectant ☞ Available ready to use or in 1:10 concentrated liquid 	Available in: <ul style="list-style-type: none"> ☞ 1l spray bottle (Ready to use) ☞ 5 liter can ☞ 20 liter can
Hard Surface Disinfectant	AMS 1452B Boeing D6-7127 Holder of the European Ecolabel	<ul style="list-style-type: none"> ☞ For use on pre-cleaned surfaces ☞ Compatible with Hard Surface Interior Cleaner ☞ Available ready to use or in 1:125 concentrated liquid 	Available in: <ul style="list-style-type: none"> ☞ 1l spray bottle (Ready to use) ☞ 5 liter can
Perrone Deep Cleaner for leather	Boeing D6-7127	<ul style="list-style-type: none"> ☞ Digs out heavy-duty soils and stains from finished leather and removes glossy build-up from body soils and dirt ☞ Does not harm top coat of finished leather ☞ Leaves leather looking and feeling new ☞ Also great on vinyl, rubber and other synthetic surfaces 	Available in 950ml spray bottle
Perrone Leather conditioner	Boeing D6-7127	<ul style="list-style-type: none"> ☞ Rejuvenates leather to look and feel like new ☞ UV sunscreen helps to protect finished leather from the damaging effects of the sun 	Available in 475ml bottle
Perrone Ink Remover for leather	-	<ul style="list-style-type: none"> ☞ Removes ink, highlighter, lipstick and other stains from finished leather surfaces ☞ Does not harm top coat of finished leather 	Available in 60ml bottle

EXTERIOR CLEANING CHEMICALS

Product	Certification	Product description	Packaging
Aircraft cleaning detergent GA	Boeing D6-17487	<ul style="list-style-type: none"> ☞ Dilutable exterior cleaning detergent to remove dirt, exhaust stains, etc. ☞ Non-corrosive formulation 	Available in: <ul style="list-style-type: none"> ☞ 20 liter can ☞ 200 liter barrel ☞ 1000 liter multibox
Insect remover	Boeing D6-17487	For the cleaning of TKS-panels, chromated surfaces, aluminum, paint, plastics (PVC, PP, PE and polyesters), carbon and stainless steel, plexi, lexan and glass windshields	Available in 1 liter bottle with spray nozzle
Windshield cleaner	-	To clean plexiglass and glass aircraft windows	Available in 1 liter bottle with spray nozzle
Rain repellent AeroVision	-	Creates an invisible layer to repel rain, sleet, snow, etc.	300ml bottle
Dual Action AeroVision	-	2-in-1 technology : Multi-Surface Cleaner and Repellent	740ml bottle with spray nozzle
Goodrich Age Master #1	Meets military specification MIL-P-11520E	Rubber protectant that penetrates neoprene rubber to help retard damage from ozone, weathering, oxidation and pollutants	950ml can
Goodrich ICEX II ice adhesion inhibitor	-	<ul style="list-style-type: none"> ☞ Helps to prevent ice from sticking to your deicers ☞ Bonds with rubber surfaces and forms a slick film 	475ml bottle with spray nozzle
Goodrich ShineMaster Prep Pre-treatment	-	Surface coating that cleans de-icing boots & prepares the de-icers for ShineMaster	950ml bottle
Goodrich ShineMaster Treatment	-	<ul style="list-style-type: none"> ☞ Sealant to protect the boots against weather, wear and tear ☞ Wax surface coating that enhances the appearance of pneumatic de-icing boots 	475ml bottle
Goodrich Aerospace Cleaner	-	<ul style="list-style-type: none"> ☞ Great for removing dirt, grime, and bugs. ☞ Can be used on all water-safe materials ☞ No surface stripping required ☞ Non-toxic and biodegradable 	950ml spray bottle
Goodrich Aerospace Protectant	-	<ul style="list-style-type: none"> ☞ Protects against dust, soiling, and staining ☞ Can be used as a cosmetic treatment for your aircraft de-ice boots ☞ 100% prevention of UV-caused slow fade ☞ No surface stripping required 	950ml spray bottle

CABIN CHEMICALS

Please contact us for more information about our cabin range:
Tel. +32 51 26 80 00 or info@aero-sense.com

Product	Product description	Packaging
Aircraft Insecticide	<ul style="list-style-type: none"> ☞ AMS 1450 certified ☞ Formulated conform WHO recommendations ☞ Control of both flying and crawling insects ☞ To be used in specified disinsection procedures: "Blocks Away", "Top op Descent", "Pre-flight"/"Pre-embarkation" or "Cargo Holds" ☞ Active substances: <ul style="list-style-type: none"> ○ 2% m/m d-phenothrin (= 1R-trans phenothrin) ○ 2% permethrin ○ 2% d-phenothrin (= 1R-trans phenothrin) + 2% permethrin 	Available in: <ul style="list-style-type: none"> ☞ 40g aerosol ☞ 60g aerosol ☞ 100g aerosol ☞ 150g aerosol With one-shot or multi-shot actuator
Air Freshener	<ul style="list-style-type: none"> ☞ Odor-treatment with long-lasting effect ☞ Non-flammable formulation for aircraft cabins ☞ Private label design upon request 	Contact us for more information

Bacteriostatic Hand Soap	<ul style="list-style-type: none"> ☞ All-in-one : mild hand lotion cleaner and antibacterial soap ☞ Private label design possible 	Contact us for more information
Hand Alcohol Gel	<ul style="list-style-type: none"> ☞ Supplement/alternative to Bacteriostatic Hand Soap ☞ No water needed ☞ Flammability test conducted by the Federal Aviation Administration prove that there is no significant risks in using Hand Alcohol Gel on aircraft 	Contact us for more information

OTHER CLEANING CHEMICALS

Product	Product description	Packaging
Hangar Floor Cleaner	For efficient removal of dirt, mineral and synthetic grease, brake fluid, aircraft piston engine oil, turbine oil and rubber marks	25 liter can
Isosorb fine	Absorbent granules for spilled liquids: oil, gasoline, chemicals, etc.	10 kilo bag

CLEANING ACCESORIES

Product	Product description	Packaging
Aviation cleaning kit	This kit includes: 20L aircraft cleaning detergent, quadro brush with telescopic handle, insect remover, windshield cleaner, GMP screen cleaner, foam master, 2 microfiber cloths, 1 microfiber sponge	1 box
Quadro brush	<ul style="list-style-type: none"> ☞ Fibres on four sides to ensure a scratch-free washing ☞ Compatible with the telescopic handle 	1 piece
Water Blade 3 Blades	<ul style="list-style-type: none"> ☞ Use to dry the outside of the aircraft ☞ Soft silicone that doesn't scratches ☞ Compatible with the telescopic handle 	1 piece
Telescopic Handle	2 x 1,5m for Quadro Brush and/or Water Blade	1 piece
Microfiber sponge	One side of the sponge is a soft microfiber, the other side has a scrubbing surface for removing dirt	1 piece
Microfiber cloth	Extra absorbent cloth that is suitable for sensitive surfaces	1 piece
Bucket	Good resistance to chemicals	1 piece
Foam Master	Generates a thick and rich foam that sticks to the surface for a longer contact time	1 piece
Lever acting drum pump	<ul style="list-style-type: none"> ☞ Suitable to pump fluids from a barrel ☞ Can be used on barrels from 25 to 200 liter 	1 piece
Power pump	<ul style="list-style-type: none"> ☞ To transfer liquids without electricity ☞ Length : 180cm 	1 piece

OTHER CHEMICALS AND CONSUMABLES

Product	Product description	Packaging
SuperCorrA	<ul style="list-style-type: none"> ☞ Meets MIL-L-87177A specifications ☞ Lubricant and corrosion prevention compound 	270ml aerosol
CamGuard Oil Additive	<ul style="list-style-type: none"> ☞ Aviation Oil Additive for piston engines ☞ Containing multi-metal corrosion inhibitors and anti-wear additives 	475 ml bottle
